# MAKE YOUR OWN TOP TRUMPS

- Choose the theme for your pack, then decide on what you want on the front of the covercard. Draw your picture in the box provided.

- Don't forget to colour in the Top Trumps logo and the plastic case – think about what colours might work best with your pack's theme

Now design the card itself…

- Draw a picture in the box provided, colour the border and give your card a name

- Now come up with your stats. Each card will need to have the same set of stats so you can play them against each other. It can be anything you like – Size, Speed, Strength, Silliness or Fun Rating are some ideas!

GIVE IT A NAME
